

National PTS's Reflections Arts Contest

National PTA's Reflections Arts Contest is open to all our middle school students. Students can create an individual piece of art (including 3D artwork), a dance performance, a music composition or recording, a photograph, video, poem or story to submit. Prizes are awarded at the school level in December, and then the top 4 entries in each division (dance choreography, film production, literature, music composition, photography, visual arts) go on to judging at the county level in January.

It is VERY IMPORTANT that the forms are completely filled out, legible and have a parent signature. You can also email arts@phmspts.org for additional information. The deadline for artwork submissions is listed on the Student Entry form so get those creative juices working now!

Reflections Theme Contest

Students can also submit their ideas for the National PTA Reflections program theme! The student who submits the winning entry will receive \$100, and his/her theme will be announced at the National PTA Convention and Exhibition in June. Entry forms will be available from homeroom teachers and in the office, and posted at phmspts.org. Theme entries are due to the PTSA mailbox in the office by the date listed on the entry form. More information on the National PTA Reflections Program is available at www.pta.org, click on the link "At School".
