- From Ms. Perry regarding 8th Grade end of year plans:
 - Farewell drive through

 - Presidential Awards Ceremony – virtually so they can have more than 2 parents attend – hard to get high school during that time of year.
 - Due to our size, it is difficult to facilitate.
 - Gold award and silver award – different criteria for each
 - It was requested to have it in person – more personal/meaningful.
 - Ms. Perry will discuss it with faculty.
 - If they do in person, parents in and out of meeting room – it is a lot to do logistically.
 - Can't host it at high school because they are always booked – cannot get in during that time.
 - Will check with guidance counselors on what criteria is for the awards
- Meeting adjourned at 7:26pm
